Reflection

Counting Our Blessings

In the face of Haiti's tragedy, it is hard to look at home and see a need as great. We are humbled. We ask: How does the Auction fit in at a time such as this? But we look at our needs and continue, because of that great love we share for children, in all the world's places and here at home.

- ✘ We pull together, finding new energies and resources
- ✘ We act by giving with bountiful spirits
- ✘ We build communities afar and at home with each other
- ✘ We grow as individuals and as friends

With treasure, and with prayers in our hearts for those struggling the world over, we continue in faith our Auction efforts, born of our deep love for children and our hope for their futures.

Lady Luck

We Have Some, We Need Some

Thanks are in order for **Cheryl Durbin** and **Sherry Sandilands**.

They have gamely taken on Live Auction Procurement ~ Thank you so much! We are in good hands indeed!

We are lucky with *all* the ways you support the Auction efforts ... volunteering, donating, bidding, hosting parties and ... **becoming an Auction underwriter or sponsor** ... yes it is *still* possible! There are many choices and levels of contribution for you or your company. Contact **Liz Ellison** at 503.908.0841 for more information ~ she is happy to talk with you about the openings.

It will be a night to talk about! This year's Live Auction is designed for fun with a **streamlined Oral Auction** followed by a **Casino Night** with five blackjack tables, a craps table and a roulette table. Your reservation entitles you to a starter amount of playing chips (you can buy more) with opportunities for prizes at the end. If those tables are not your thing, you can always dance on top of some (hmmm ... who could that be?) Our favorite deejay is back spinning songs for your **Dancing** feet.

Live Auction: April 24th at the Oregon Golf Club

Call Your Family and Friends ~ It's A Night All Will Enjoy!

Oregon Coast winners

Come to the Auction and Escape to the Beach

1. Camping ‘Light’ in Pacific City

It’s ‘light’ because of all the amenities and comforts at hand in this stocked-for-your-pleasure camper. Pacific City is known for its fine camping facilities across from the beach.

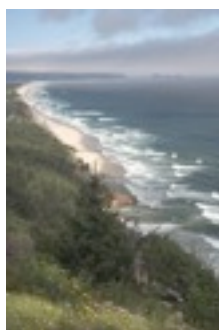

Lovely camper has own bathroom and shower ~ and the campsite includes them too. Also features swimming pool, picnic tables, a fire pit and miles of beach! When

all are tuckered out, relax in local restaurants with the gift certificates also included, making this a complete treat with you in mind.

Sleeps 4 for 3 nights. *Thank you Sherry and Brian Sandilands*

2. Netarts Beach House and Studio Cottage

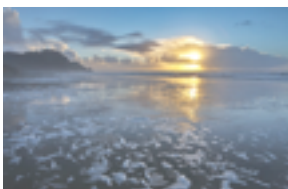

Between Cape Meares and Cape Lookout, there is much to appreciate in Netarts. Bird watching, crabbing, clamming, kayaking, strolling on the beaches and trails ... it has it all. It’s time to explore an undiscovered jewel on the Oregon coast ... unspoiled and wonderful. Newer home and guest house have commanding

bay views and partial ocean views. A very friendly family beach. Sleeps 10 for 3 nights. *Thank you WJ Bradley Mortgage Capital*

3. One Week at Florence Beach House

The famous San Francisco sea lions are right: Florence is the place to be. You can see why: 10 miles of uninterrupted beach, Sea Lion caves (now home to the SF pods) the Oregon

Dunes with sand-boarding and dune buggy tours, Heceta Lighthouse, Old Town & more. So much to do ... and the whole week is yours!

Thank you Tricia Epping
