

# After School Art with Mr. Ferguson

Join me for the 3<sup>rd</sup> annual shadow puppet movie making workshop! **Shadow** play which is also known as **shadow puppetry** is an ancient form of storytelling and entertainment which uses flat articulated cut-out figures (**shadow puppets**) which are held between a source of light and a translucent screen or scrim. This year we will attempt to re-create the epic story of Jonah and the Whale. Class size is limited and recommended for student's 2<sup>nd</sup>-8<sup>th</sup> grade. Younger students will be considered on a case by case basis.
